Physicians Health Choice Earns Accreditation by the Better Business Bureau

Physicians Health Choice, a Medicare Advantage Organization contracted with the Centers for Medicare & Medicaid Services (CMS), has recently attained accreditation by the Better Business Bureaus (BBB). Earning the desirable “seal” means that Physicians Health Choice demonstrates proficiency in the BBB’s stringent *Code of Business Practices*- ranging from honest advertising to being responsive to safeguarding privacy.

“I am gratified that we’ve earned accreditation by the Better Business Bureau. As an organization that’s striving to change the face of health care delivery for seniors, not only do we stand behind everything the BBB represents, but practice those principals on a daily basis,” states Dan Comrie, Physicians Health Choice President.

Physicians Health Choice is a Medicare Advantage Organization that is contracted with the Centers for Medicare & Medicaid Services (CMS) to provide health plans to Medicare-eligible individuals. (Does the common person know what cities make up the Treasure Coast?)

Today, Physicians Health Choice offers more than 30 Medicare Advantage health plans to more than 19,000 members across the southern United States- including Austin, Corpus Christi, El Paso and the Rio Grande Valley in Texas; Las Cruces and Alamogordo, New Mexico; Little Rock, Arkansas; and Ft. Lauderdale, Florida. The company’s mission is to *change the face of health care delivery for seniors*.
